There's lots more to read in our e-newsletter, but it mainly refers to online listings and events which is irrelevant if you do not have computer access, so we have not included all of the articles here. If you would like to read the latest news in full, you can go to the Latest News page at <http://waternishhall.com> – and sign up to receive our e-newsletter every Friday.

**HELP WITH NEWSLETTER WANTED**

As one of the editors is moving on to pastures new, a vacancy has arisen for a volunteer to help compile the weekly Waternish Hall Newsletter. This is a key post in order to maintain the continuity of the newsletter if the current editor is unable to do so for any reason, and to cover for holiday absences.

Applicants should have their own desktop or laptop computer with an internet connection, and have basic computer literacy. No other specific knowledge is required, as full training will be given, but essential requirements for the job are common sense, initiative and a sense of humour.

This is a voluntary and flexible position, and would normally require approximately 3 or 4 hours of your time per week, working alternately one month on, and one month off.

If you would like to contribute to the community by helping with the production of this newsletter, or would like to hear more details about what is involved, then please get in touch using the contact details below.

## FOOD SHARE BOX AT FAIRY BRIDGE

The Food Share Box at Fairy Bridge will be moved over the weekend to the Gillen Bus Shelter, just off the Geary Road. We feel that the new location will still enable local people to access it in privacy, and also for people to donate directly into the box should they wish, whilst being a little further away from popular camping spots.

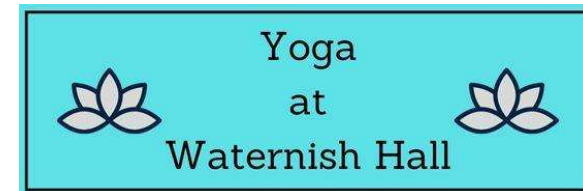

We hope you will still be able to donate directly into the box whenever you feel able to do so, so that residents can continue to make use of the box whenever they wish.

Regularly needed items include: Tinned meat, fish, fruit & veg; snack meals; pasta; rice; sauces; tea & coffee; small boxes of cereals; toiletries; biscuits & crackers. The box is checked and topped up regularly with any unused items going straight to the food bank.

Thank you for your amazing ongoing support and help with this initiative.
