

	<ul style="list-style-type: none"> <li>• CW has met with SH who is considering taking over this role in the future. CW will liaise closely with her in the meantime.</li> <li>• The digital ‘lock box’ has now been finalised with CW &amp; FC managing this . CW has also set up a new email address for our service providers to use instead of his personal one.</li> <li>• Our accounts have been examined by RB and he has raised a couple of queries: At the moment there is no provision for our assets. It was noted that the Hall building itself holds no value and most of our electrical equipment would by now have depreciated to a zero sum. The only possible assets we should be considering are the solar panel but they too will be depreciating from their original £22k purchase cost. It was also noted that our financial controls could be tightened around the handling of cash from some activities e.g knit group/ pickleball. As the income from these varies from time to time depending on how many people were present this is very difficult to ‘police’. We therefore rely heavily on trust. It was agreed to discuss this further with SH. Meanwhile CW will report back to RB that we understand the concerns he has raised and will be dealing with them in due course.</li> <li>• CW provided details of our current financial situation. We. have received our first electricity bill since we changed to Octopus energy. This dates back to last June and was for £590.81 which works out to approx. £73 p.c.m. The solar panels continue to top up our battery despite the wet and cloudy weather we have experienced over the winter. A donation of £500 was made to Waternish Wildlife Alliance to help with their start up costs. It was agreed that they would need to pay for Hall hire from now on. Our current account is very healthy and we also need to consider how to spend the balance in our Community Fund.</li> </ul>	
5.	<b>Forthcoming Events:</b> <ul style="list-style-type: none"> <li>• All as previously reported</li> </ul>	
6.	<b>Any Other business:</b> <ul style="list-style-type: none"> <li>• Heating in new extension. It was agreed to move the lighting equipment into the original storage space after the Uiseag concert.</li> <li>• All other matters for a future meeting</li> </ul>	
7.	<b>Date of Next Meeting:</b> <ul style="list-style-type: none"> <li>• To be confirmed after the AGM</li> </ul>
